PHYSICAL EXAMINATIONS AND REQUIRED IMMUNIZATIONS

Each child is required, by the State of Illinois, to have a physical not more than six (6) months before entry. **Therefore, children who will start in September need physicals between March and August of that year.** Physicals are good for 2 years. The following immunizations are required to enroll:

- 1 PCV (minimum)
- 4 DTP/Tdap
- 3 Polio
- 3 Hep B
- 1 MMR
- 1 HIB (minimum)
- 1 Varicella

A completed medical form including a record of these immunizations must be on file before your child can begin school.

BIRTH CERTIFICATES

The Illinois Department of Children and Family Services (DCFS) requires that parents provide a certified copy of their child's birth certificate when they enroll their child in preschool.

Please bring your child's birth certificate when you register so that we can make a copy for our files.

If you need a certified copy of your child's birth certificate, please contact the County Clerk's office in the county where your child was born to obtain one. This can be done online.
